

## **Jumpstart your potential with CERTIFI**

CERTIFI by Mercy College is committed to supporting our alumni and increasing their income potential in their postgraduate careers - whether you want to excel in your current role, change fields, or learn an additional skill to make yourself more marketable, CERTIFI understands the need to continue learning, even after graduation.

Check out some of our new courses below and consider them for yourself or share with people in your network who might benefit as well. Plus, you'll receive a free gift if you or someone you refer enrolls!

### **CERTIFI Remote Work CERTIFICATIONS**

Master Remote Work Certification and Distributed Workforce Management: certified in remote work! **In early 2022, the Pew Research Center reported that 60% of workers want to work from home all or most of the time** - Companies need know that their people can support their remote team members. These new courses help teach you the skills to ensure productivity continues and is even enhanced in today's remote environment. [LEARN MORE](#) and [REGISTER TODAY](#)

### **CERTIFI Diversity Studies**

Offered by the Society for Diversity's Institute for Diversity, these courses are designed to change culture and increase the ROI for your organization. Train to become a CERTIFIED Diversity Professional (CDP)<sup>®</sup> or a CERTIFIED Diversity Executive (COE)<sup>®</sup>. Recommend these courses to your company or organization to improve their DE&I efforts. [REGISTER AND LEARN MORE](#)

### **Join us for a CERTIFI Virtual Open House for Healthcare on Tuesday, March 28th at 6 PM**

Hear from our instructors and leaders in the field, who will talk about the skills in demand today. Learn about and enroll in our upcoming CERTIFICATION Programs for Revenue Cycle Administrators and Clinical Medical Assisting.
